Beverage Dispenser

- Item # 2525-6/7 = 7 Liter Capacity

Beverage/Juice Dispenser, 7 liter capacity, 18/10 mirror-polished stainless steel with oblong base, drip tray and stainless steel ice tube.

Unit stands an impressive 25" tall. Stainless steel base measures 8-7/8" x 13-3/4".

Beverage server is NSF approved!

Faucet is forged stainless steel, not brass coated. Faucet features our special pulp clean out valve for easy cleaning. Polycarbonate vessel is stain resistant.

Protective acrylic ring slides around the base of the polycarbonate vessel.

Serving glasses that are 7" or smaller, work best with this faucet and tray configuration.
